

AUTHENTIC BEECHWOOD SMOKED HOT DOGS

UNCLE
JOHN'S

Uncle John's Hot Dogs are made from the finest cuts of smoked pork, traditionally smoked in a Beechwood smoker to bring authentic, quality taste. The perfect balance of herbs and spices give our products a superior flavour; from the traditional American style Bockwurst to the artisanal-inspired Bratwurst.

Eaten hot or enjoyed cold straight from the pack, Uncle John's Hot Dogs are available in a range of sizes making them perfect for both hand-held snacks and gastro meals.

Offering an alternative taste to traditional pork, our Halal-certified Chicken and Turkey Hot Dogs are new to the range and offer the same premium beechwood smoked taste (see overleaf).
